

To: Fire Chief Dolan, Police Chief Spiewakowski and Buz Reusch – Warren EMA:

My name is Steve Goodwin, President of CMPSA since 2007. We are a Massachusetts non-profit public charitable corporation that is basically a disaster relief organization. The Board of Directors has expressed interest in making an exclusive offer to help out the Town of Warren, Warren Fire, Warren Police and Warren Emergency Management. This offer, we feel, would be of great benefit to the Town.

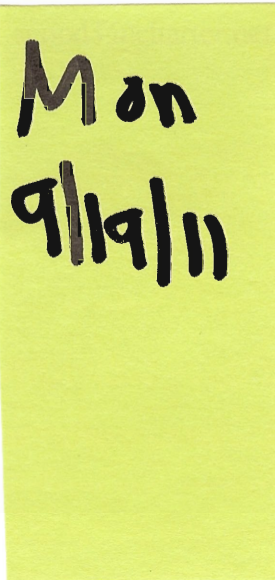

I would like to set up a meeting with all of you at some point in the near future where we can present our ideas & thoughts to you, also allowing the opportunity to answer any questions you might have. We would sincerely appreciate the opportunity to allow us about an hour of your time is all that we ask.

Please let me know at your earliest convenience when we would be able to set up a meeting date. If at all possible, Wednesdays are best for me – anytime during the day, if that works out to your schedules.

Thank you for you valuable time and await your reply.
