Hi Madeline:

Tue, 12/16/14

I would like to submit a public records request for paperwork on a Town employee, Mark J. Chase. I have heard 2 stories about him, one is he is out on some sort of medical and/or medical disability leave, and the other is he has either resigned, retired, or been suspended from work. Several residents have shared the above with me, and the Board of Selectmen doesn't seem to know the direct answer either.

My records request is to obtain the current status of his employment with the Town:

1. Is he still on weekly payroll (i.e. W2 wages) via timesheets, etc? If so, could I get photocopies of recent timesheets?
2. If he is no longer collecting weekly payroll, how is he getting paid, and by whom? If so, when did he stop collecting a W2 wages/payroll?
3. If he is out on medical leave, disability leave, sick leave, or workman's comp leave, I request photocopies of all documents relative to above? I would assume if he's collecting money from a different source other than W2 wages, he and/or the Chief of Police would have to submit something to your office to edit or change the status of payments to Mark Chase.
4. If he is being paid other than W2 wages/payroll, who is currently rendering payments to him (i.e. workman's comp, he's being paid by insurance payments, or being paid by State or Federal government, etc.)?

As always, I sincerely appreciate your help & assistance!

Respectfully Submitted,

Michael J. Baril

Michael,

In regards to Mark Chase, as of December 12, 2014, the latest payroll I have received for him, he is listed as IOD (injury on duty) and is being paid threw the weekly payroll. You have requested photocopies of recent timesheets, how many weeks would you like?

Thank you for the prompt reply.

How complicated would it be to go back 6 months, say from June 1, 2014 on forward.

Second - can I get a photocopy of any document(s) you received from Warren Police and/or other people that would have notified the Town (HR Dept, per say) that he was "injured on duty" and to adjust his W2 payroll status to that.?

As I understand it, he's not officially working on the job anymore due to "injury on duty", but getting paid full salary by the Warren Police Dept. What was the date when his status changed from normal employee to being injured on duty - recently or earlier this year?

Thanks,
Mike Baril

Michael,

It would take quite a while to get 6 months, as the payrolls are done weekly, so it would be 20 plus copies, plus my time to remove and then put them back into the weekly warrants. As far as your other 2 questions, I do not get any documents in regard to the IOD that would be the Board of Selectmen. They would have the exact date when his IOD started.

Madeline

OK. I understand it now.

For the short term, can you copy me his timesheets from Oct 1 to present day (about 3 months). Skip the 6 months. Let me do a records request for the IOD date to the BOS and get that date, which will help figure this out.

Mike Baril

Hi Madeline:

I have been busy on a project so I have not had time to come there and grab the time sheets on what you have ready & write you a check. I will try & come this week, but next week for me is better.

In the meantime, if you want to start phase 2 & go backwards from the early 2014 date & go backwards until June 1, 2014. Once you have phase 2 compiled, I'll write you a separate check for that.

So I just wanted to let you know I haven't forgot about coming to grab those current ones.

Thank you,
Mike Baril
