If you think that is funny, do a Google search for Tokyo Breakfast and watch the video. It is a short pilot of a show that was never picked up in Japan. Warning, make sure you take a piss before watching it so you don't whizz in your pants from laughing so hard.

Why don't you just tend to your dispatch duty's in Amherst or I just might take up the members suggestions and remove you.

You're not really going to be "that guy" are you? We get it; you think you were wronged. Welcome to the big boys world. Shut the hell up.

just don't gaze into her eyes cuz you likely get dizzy trying to alway catch up to the other. Pats suck. overrated cheaters will never get back to a ring without their cameras.

You need to invite me over to your house for the game so that I can gaze at you while you watch football! I promise to be nice! I'll even massage your legs and feet while you watch!
